This catalogue contains aftermarket spare parts suitable for the FIAT Ducato Bluebird Orion.

The drawings provided are not complete and do not cover all variants that may exist.

Whilst every effort has been made to ensure all information in this catalogue is correct, we cannot accept any responsibility whatsoever for any errors found in this publication.

To further assist in identifying individual parts using whatever information may be available please call us and we will try our extensive database cross reference applications.

We are able to source coach body parts. Please advise coachwork body identification number.

ENGINE REBUILDS
Please call us for our spare parts relating to engine rebuild.

We will need details of the engine installed

The engine type can be found either on a plate on the engine, or stamped into the engine block, and indicates the engine type as well as the serial number.
